UKREiiF connects people, places and businesses to accelerate and unlock sustainable, inclusive and transformational investment. Attracting investors and developers.

## Rethinking Places Stage

Subject to signing the contract we have secured a partner session on the Rethinking Places stage at UKREiiF for the opening day, Tuesday 21st May 2024. The auditorium holds 100 delegates.

We will host a Central South panel session to share with the audience the vision and opportunities presented by the Central South UK. Central South UK will feature on the UKREiiF website.
