

# Regenerate Central South

2026

## Central South - Accelerating Regional Growth

Regenerate Central South brings together stakeholders and investors around the Central South region in a bid to use exclusive industry expertise and knowledge to drive investment to the region.

The private sector initiative promotes the development of sites at a national and international level to stimulate inward investment and showcase the quality of business and investment opportunities available in this part of the UK.

The conference will feature high profile speakers from the property industry and will champion the scale of development in the region. Over 200 attendees are expected.
